

Community Services Department

Buckeye Senior Program

We will have a Facebook Live bingo game for our senior participants on Fridays at 1p.m.

How will this work?

1. Bingo via Facebook Live is for registered Buckeye Senior Program participants. To become a participant please call us at (623) 349-6600.
2. Email us to let us know you would like to play at seniorprogram@buckeyeaz.gov so we may prepare an appropriate amount of bingo cards.
3. Each player will be able to use up to two bingo cards per game. You can get your cards two different ways, but you must request them by 11:30a.m. on game day.
 - Pick up sanitized cards from the Buckeye Senior Center at 201 E Centre Avenue in Buckeye, AZ weekdays during our Curbside Congregate Lunch Service between 10:30-11:30a.m.
 - Request printable cards via email.
4. When you get a bingo, type BINGO in the chat window. **After the live stream**, please post a photo showing your winning card in the comments. Alternatively, you may email it to seniorprogram@buckeyeaz.gov.
5. We understand that technological issues may arise so bingos **do not** have to be on the last number called.
6. Once the game is closed and the caller is preparing for the next game, no more winners will be allowed for that game.
7. For each bingo game won the player will get a Bingo Buck. Bingo Bucks may be used to acquire donated prizes on a special Bingo Prize Day at the Senior Center. This day will be scheduled once the Senior Center has reopened.
8. This is a new experience for all of us. Rules and games may be changed at any time to better accommodate the unique requirements of this event.
